Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="We object to the proposed changes to the shed for the following reasons: noise and disturbance caused by tenants living in/renting the 2 permanent dwellings, a lack of privacy as they face the back of our property where we have bedrooms and living space, highway safety as they already block the pavement on a regular basis due to lack of driveway space, negative impact on visual amenity for the neighbourhood due to size/style and if approved it sets a precedent for future developments, smells from 2 additional kitchens & the increased waste that will accumulate with the potential to be a hygiene & health & safety issue. We do not object to the garage conversion/single storey side/rear extension as this will increase the existing living space in keeping with the rest of the neighbourhood."/>
