Subject: Planning application S6/2008/2456/AD - 8 Parkhouse Court

Response to Planning application from Hertfordshire County Council (T and CP GDP Order 1995)

District ref: S6/2008/2456/AD
HCC ref: WH/220/2009
HCC received: 25/08/2009
Area manager: James Dale
Case officer: Lindsey Lucas

Location
8 Parkhouse Court
Hatfield
AL10 9RQ

Application type
Advertisement Consent

Proposal
Installation of internally illuminated fascia sign and internally illuminated projecting sign

Decision
Notice is given under article 10 of the Town and Country Planning (General Development Procedure) Order 1995 that the Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission.

The proposed signage is not on the highway and therefore has no implication on highway safety. However I would recommend that a condition regarding height is added to protect pedestrians using this area.

1. All parts of the projecting signage must be at a height of, or greater than 2.3 m vertically above the footpath and no less than 500 mm horizontally from the edge of the carriageway. Reason: In the interests of pedestrian safety and convenience
