Proposal CONVERSION OF INTERGRAL GARAGE TO UTILITY ROOM AND STUDY AND
ADDITIONAL HARD STANDING FOR CAR PARKING SPACE

Location 46 BLUEBELL WAY HATFIELD HERTFORDSHIRE AL10 9FJ

The Committee objected to the application considering drainage issues would materialize if the wrong sort of block paving was used. However the more important objection was the precedent this would set as this was a fairly new development. The Committee did not wish to see other properties in the area losing garages and having to park on the highway and cause car parking issues in an already congested area of Hatfield.
