Subject: RE: Planning Application S6/2009/0891/MA - Bovis Homes, Phase 4, Hatfield Aerodrome

Dear Simon Chivers

As my comments did not come through on the online dataspace system, I have included them in this email.

My reference number:- ALS 0656/09

The developers/architects came to see me prior to submitting the planning application. I have asked that all premises meet the 'Secured by Design' standard and that I am kept informed during the construction so that the standards will be met.

Kind regards
Linda Stevens
