Dear Sir or Madam

Ref. Planning No, **6/2016/1068/FULL**

We write to register our objection to the planning application for the addition of an All day Restaurant and Café in the Barham Court Flats.

Our objections are:

- There are already many food outlets in Cuffley another one will undermine the existing businesses.
- A3 was not part of the original development plan and onsite parking has not been considered. Parking is already a problem with restrictions in place.
- There would be late night noise and disturbance detracting from the residential amenity of the surrounding residential properties.

Yours faithfully

Mr John H Packer and Mrs Debra M Packer
