Comments	<input type="text" value="With regards to this application we are not happy as we will have no privacy at all in our garden or property, we moved to cuffley 26years ago to enjoy the space and privacy that we got from living here, this area is mainly bungalows which allows lots of light and sunshine in. The bungalow to the left has a loft conversion which is acceptable to the area as it does'nt overlook in the gardens and other property, we feel the the occupier had chosen the wrong property to live in if he needs 3 floors.The propsed development will look an eyesore in between the two bungalows either side as it will be nearly 3 metres taller, please take all this into consideration and hopefully Cuffley will not be spoilt, yours faithfully Colin and Sue Callcut"/>
