<b>Comments</b>	<input type="text" value="As the gardens are a massive part of these properties, and we all spend a lot of time in them. With the 2 dwellings in the garden I feel there will be a higher level of noise and foot traffic throughout. The height and size of them they will be seen from my property which in turn the occupants will be able to see my bedroom windows. Most of the house have sheds in the gardens but not 2 dwellings in the garden."/>
