October 28th 2009.

Dear Sirs,

Re erection of real con-
servatory and garden shed at
Oak Cottage Residential Home
4 Wilking Green Lane Hatfield
Your letter of 19th October 2009
was addressed to the "Occupier"
45 Bramble Road.

I have been living at
45 Bramble Road Hatfield
for the last 60 years and pay-
ing taxes to the Council at ever
increasing rates and would

expect that you would know my name by now.

Thank you for informing me that an application for planning has been made; but you are too late as the owners of 4 Wilkins Green Lane have already erected a monstrosity which I can see from my windows.

It is far too close to the boundary and far too large for a "garden shed". It looks a permanent structure not a shed. I request that you refuse planning permission and ask them to pull it down.

Yours faithfully,
