Dear Sir/Madam

Re: 49, BRAMBLE ROAD, HATFIELD, HERTFORDSHIRE , AL10 9RZ

There are public sewers crossing the site. In order to protect public sewers and to ensure that Thames Water can gain access to those sewers for future repair and maintenance, approval must be sought from Thames Water where the erection of a building or an extension to a building or underpinning work would be over the line of, or would come within 3 metres of, a public sewer. Thames Water will usually refuse such approval in respect of the construction of new buildings, but approval may be granted in some cases for extensions to existing buildings. The applicant is advised to contact Thames Water Developer Services on 0845 850 2777 to discuss the options available at this site.

Yours faithfully
