these trees shall be planted and maintained as approved.

The approved tree planting shall be carried out in the first planting and seeding seasons following the completion of the development and any trees which within a period of five years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation.

### REASONS FOR APPROVAL

#### SUMMARY OF REASONS FOR THE GRANT OF PERMISSION:

The proposal has been considered against Planning Policy Statement/Guidance PPS1, PPG13, East of England Plan 2008 policies SS1, T14, ENV1, ENV7, ENV5 and development plan policies SD1, GBSP2, R3, M14, D1, D2, D8, RA11 of the Welwyn Hatfield District Plan 2005, in addition to the Human Rights Act 1998, which indicate that the proposal should be approved. Material planning considerations do not justify a decision contrary to the Development Plan (see Officer's report which can be inspected at these offices).

#### INFORMATIVES:

1. The application has been submitted with a location plan that does not appear to show the full extent of the rear garden area as demarcated on site. The differences in boundary position would not effect the assessment of this application. However, the applicant should be aware that the validity of this consent could be affected if the boundary position is determined to be in a different position.
