Subject: RE: planning application for gatehouse, aerodrome site

Dear Cllr Berry,

Thank you for your email - apologies for not replying sooner.

The application was displayed on the weekly list of planning applications at the end of December, and, as requested, I have noted that it has been called in.

Given this, the application should be presented to Planning Control Committee on the 18th February 2010.

I am intending to recommend that the application be refused.

If you have any questions relating to this, then please do not hesitate to contact me.

Kind regards,

Becky

Becky

I am told that the above planning application will be refused, but I still cannot see it on the lists. If it is eligible for call-in please could you call it in on the grounds that neighbouring properties have been allowed to have internal walls removed and thus the applicant believes a precedent has been set.

Thank you

Clare
