Dear Cllr Berry,

Thank you for your email.

At present the application for the removal of internal walls at the Gatehouse, Hatfield has not been validated, meaning that it has not yet appeared on the weekly list, and therefore cannot be called in.

It should hopefully be validated by the end of next week at the latest, so once it appears on the weekly list, then please do not hesitate to contact me again to call it in.

If you have any questions relating to this, then please let me know.

Kind regards,

Becky Morgan

I understand you will be dealing with the application for internal walls to be removed in the Gatehouse on the Aerodrome site.

I am asking for this to be called-in if it is not approved under delegated powers.

The applicant feels there is a precedence set by surrounding listed buildings where internal walls have been allowed to be removed.

Please would you keep me informed of progress on this one?

Many thanks

Clare Berry
