<b>Comments</b>	<input type="text" value="FAO: Ms Kirsty Shirley, PO. (I have emailed you, however, your email address rejected it). I am confused as to why I was not informed about the planning application from number 41 Northaw Road East via the neighbour consultation letters? This property backs directly onto mine (48 Theobalds Road), and their proposal will have a big impact on us, however, I did not receive a letter from you. This property put in plans on 17th July 2023 and the previous planning officer Ms Elizabeth Mugova included our property (48 Theobalds Road) in the neighbour letters and rightly so. I objected to these plans and the planning application was withdrawn. Since then, 41 Northaw Road East has submitted another planning application, but this time I was not included in the neighbour letters despite previously being included and despite my property/gardens backing directly onto theirs. Please can you explain why I was not informed not included under the neighbour consultation? I nearly missed this deadline!"/>
