Comments	<p>A basic objection is the lack of parking. Advertising on social media, vast numbers come in their cars to the numerous events now held at the pub. Evenings and lunchtimes, there are cars parked all over the local pavements and even on the Green itself. Often they are large vehicles with Rolls blocking the entrance to the small car park. Sometimes the .cars stretch right down the roads to the school and towards Cuffley. The turn into Vineyards Rd and out of it are often difficult to negotiate as there are cars blocking it. The manager of the pub has taken to parking his vehicle completely on the pavement in front of the pub so the oncoming traffic is obscured.. A photograph can be produced but as it is often dark it is not easy.</p>
