<b>Comments</b>	<input type="text" value="I object strongly to this application. Proposed development will damage the Green Belt function in our area and will open the gates to much larger developments of adjacent land in the future. The 14 dwellings are NOT going to contribute to the growth of our area but put extra strain on the infrastructure of Cuffley and Northaw. Our schools and doctors surgeries are already over prescribed, traffic heavy with additional agricultural lorries driving through our villages., not to mention poor maintenance of our roads ( constant flooding) . Green Belt needs protection so everybody can benefit from it and it should not be used for financial gain of a small number of parties involved in this project."/>
