Comments	<input type="text" value="I visit Kentish lane regularly. I am surprised that the owners of this property are applying to use it for filming as it has always resulted in considerable disruption when they have filmed in the past and I had understood the council had in place an enforcement notice to prevent this. On one occasion I recall they also too over the field opposite for all their vehicles including double decker buses. I cannot believe it can be right to permit this at all in a residential area let alone for months on end as apparently now proposed."/>
