Dear sirs

With ref, to the above application I wish to oppose this as I have with every other application from this address over the last 20 years. The reasons are as they have always been in that primarily the site is in a residential area and not commercial. The site was purchased by the applicants some 20 years ago with the intention of running it as a film location. This is verified by articles in the Mail on Sunday which I can send you.

Furthermore having opposed every previous application I am surprised that you have not advised me that this new application has been made.

I would welcome a meeting and discussion with you concerning this application together with my solicitors [REDACTED] who have advised me previously .

Thanking you,
Yours faithfully,

[REDACTED]
