<b>Comments</b>	<input type="text" value="As previously stated, there are not sufficient access on the roads in the Northaw and Cuffley area. There are not enough schools or Doctors surgeries to accommodate any further expansion in this area, and I do believe the main drains are struggling to cope now, without any further input. If this site goes ahead I am sure this would only be the thin edge of the wedge, to achieve the total expansion of the site as applied for in the original application."/>
