<b>Comments</b>	<input type="text" value="This development of a 5 bedroom dwelling would be overdevelopment on this site. It would not enhance the character of Church Lane, a FIVE bedroom home shoehorned on to part of the garden of and an existing house. The parking is inadequate and maneuvering in and out of the site would not be easy backing out or turning into the frontage in the smallest part of Church Lane. There is nowhere to park in Church Lane should they have visitors or deliveries. I am not sure of the relevance of the drawings for a cycle storage. Traffic and parking is already a problem in Church Lane."/>
