Comments	<input type="text" value="I am Chair of Northaw and Cuffley Residents Association. We are strongly opposed to any developments in the Green Belt. We believe this application is one of the most damaging to the village of Cuffley. We have objected to this site during the stages of the emerging Local Plan. Although we are aware that the applicants intend to apply to develop further sites adjacent to this site we have restricted our comments in our objection to this site only. See attached."/>
