Hatfield – Re-Submission of details pursuant to condition 8 (Archaeological Written  
Scheme of Investigation) on planning permission 6/2015/2043/OUTLINE, dated  
05/10/2015**

Dear David,

Thank you for consulting me on a re-submitted archaeological written scheme of investigation (WSI) for trial trenching.

On 22 January we sent you comments on the previous draft. The re-submitted document has satisfactorily addressed these comments so we can therefore advise you that the archaeological investigations can commence in line with this WSI.

Please do not hesitate to contact me should you require any further information or clarification.

Yours sincerely,
