RE: 6/2018/0340/LB | 11 Wilkins Green Lane Hatfield AL10 9RT | Erection of garden room

Dear Richard,

Thank you for consulting us.

Given the size of the proposed structure and the fact that the Listed building was constructed in 1934-5, in this instance we consider that the development is unlikely to have a significant impact on heritage assets of archaeological interest, and we have no comment to make upon the proposal.

Please do not hesitate to contact me should you require any further information or clarification.

Yours sincerely,
