Dear David,

Re: Submission of details pursuant to condition 5 (site investigation and post investigation assessment) on planning permission 6/2017/0624/MAJ. - Plot 5000 Hatfield Business Park Mosquito Way Hatfield AL10 9EZ

ARCHAEOLOGICAL IMPLICATIONS

Thank you for consulting me on the above application for discharge of condition 5 on 6/2017/0624/MAJ.

I have received an interim report on the archaeological excavations at this site, and a detailed programme for the completion of the post-excavation analysis and publication of the fieldwork results from Cotswold Archaeology. This will comprise 'a six month programme of post excavation work commencing at the end of June 2018. The Excavation report will be completed by the end of October 2018 and the summary publication will follow at the end of December 2018.'

I have also been provided with a copy of the Purchase Order issued by Arlington Business Parks GP Ltd to Cotswold Archaeology for the completion of these works.

I can therefore advise that Condition 5 may now be fully discharged.

Please do not hesitate to contact me should you require any further information or clarification.

Yours sincerely,
