Dear Antoine,

Re: Submission of details pursuant to condition 1 (Archaeology) on planning permission 6/2018/2497/FULL - 1-5 Park Street Hatfield AL9 5AT

ARCHAEOLOGICAL IMPLICATIONS

I can confirm that the applicant's archaeological Written Scheme of Investigation meets the requirements of this office, and therefore that the programme of archaeological work may begin, subject to your final approval.

I can advise partial discharge of condition 1, sufficient to allow the development to go ahead. I will not be able to recommend full discharge until the work has been completed in accordance with the WSI, a satisfactory report has been received and provision made for archiving and publication if appropriate.

Please do not hesitate to contact me should you require any further information or clarification.

Yours sincerely,

Alison Tinniswood BA MA ACIfA
Historic Environment Advisor
