Dear Mark,

Re: Submission of details pursuant to conditions 1 (construction management plan), 2 (surface water drainage scheme) and 3 (archaeological written scheme of investigation) on planning permission 6/2019/2782/VAR - Plot 6000, Land Adjacent to the Porsche Garage, Hatfield House, Hatfield Business Park, Hatfield, AL10 9UA

ARCHAEOLOGICAL IMPLICATIONS

Thank you for consulting me on the above application for discharge of conditions.

I can confirm that the report on the archaeological trial trench evaluation of the site submitted by the applicant meets the requirements of this office, and that the evaluation was carried out in accordance with the agreed Written Scheme of Investigation.

The evaluation did not identify any archaeological deposits, finds or features, due to previous ground reduction associated with the construction of the car park.

No further archaeological work is required at the site, therefore, and I can advise full discharge of all remaining archaeological conditions.

Please do not hesitate to contact me should you require any further information or clarification.

Yours sincerely,

Alison Tinniswood BA MA ACIfA
Historic Environment Advisor
