Dear David,

Re: Plot 5000 Hatfield Business Park Hatfield- Submission of additional information

ARCHAEOLOGICAL IMPLICATIONS

Thank you for consulting me on the above application.

The applicant has submitted an Archaeological Written Schem of Investigation. Your consultation letter requires a reply within 10 days. Normally we require 21 days to consider what is in effect a discharge of condition application. Is this acceptable?

Therefore at this time our advice to you dated 2/5/17 remains unchanged.

We are happy to discuss, so please do not hesitate to contact me should you require any further information or clarification.

Yours sincerely,

Andy Instone
