HISTORIC BUILDINGS AND CONSERVATION ADVICE

Dear Sir / Madam,

RE: Ramada Hatfield, St Albans Road, West Hatfield, AL10 9RH

The application is for the approval of details in relation to condition 8 (Mortar) on Listed Building Consent 6/2017/2746/LB.

A mortar sample has been prepared following the detailed scientific analysis of a piece of the original mortar. The sample, labelled as 'Weathered Straw' was viewed on site on 06/11/2018 and is considered to be a good match to the original (unweathered) mortar in both colour and texture.

It is therefore considered that the sample supplied is sufficient to discharge condition 8.

Yours sincerely
