Dear Nabeel,

**Re: Variation of condition 1 (parking), amendment of condition 3 (archaeological significance), amendment of condition 9 (phase 1 disabled access), removal of condition 10 (shipping containers), amendment of condition 13 (phase 1 main application site and Gosling Sports Centre, amendment of condition 17 (phase 2 materials), amendment of condition 20 (phase 3 submission of non-native species management plan, revision of phase numbers on condition 21 (hard and soft landscaping), 22 (cycle provision), 23 (motorcycle provision), 24 (car parking), 25 (parking), 26 (removal of temporary buildings), 27 (surface water) and variation of condition 33 (approved plans) on planning reference 6/2021/2125/MAJ – Hertfordshire Constabulary Stanborough Road Welwyn Garden City Hertfordshire AL8 6X**

## **ARCHAEOLOGICAL IMPLICATIONS**

Further to our recent e-mails and discussions concerning the amendment of condition 3 (archaeological significance).

I confirm that I have no additional comments to make, on the basis that appropriately worded archaeological conditions relating to Phases 2 and 3 of the development, will be applied, as per our discussions, to planning consent for application ref. 6/2022/2249/VAR, should it be granted.

Please do not hesitate to contact me should you require any further information or clarification.

Yours sincerely,

Alison Tinniswood
