

6/2016/2675/MAJ: Queenswood School Shepherds Way Brookmans Park

Proposal: Erection of extension to existing sports hall, re cladding of existing roof and wall, following removal of existing mobile classrooms and increase parking provision from 85 to 102 approximately

Overall I have no objections to the application. I am surprised that more of an effort has not been made to mitigate the loss of the mature trees and improve the setting of the larger hall and modified car park by undertaking some landscaping where space available.

Should the application be approved a condition requiring a Tree Protection Plan and a soft landscaping plan (with planting schedule) will be required for approval.
