RE: 6/2019/1101/FULL – Ocado Ltd, Gypsy Moth Avenue, Hatfield, AL10 9BD

Dear Antoine,

Thank you for your consultation in relation to the above planning application for the Erection of an ancillary staff shop following demolition of an existing cabin building, at Ocado Ltd, Gypsy Moth Avenue, Hatfield, AL10 9BD.

Following our review of the Drainage Statement produced by EIRENG Consulting Engineers, reference 192022, dated April 2019 submitted to the LPA, we would have no objection to the proposed development on surface water management and flood risk grounds.

We understand that the proposed building will be positively drained, as indicated on the Proposed Drainage Layout drawing, drawing number C010, job number 192022, revision PL2, dated 14th May 2019. The proposed, new drainage network will be connected into the existing drainage on site.

Please note if the LPA decide to grant planning permission we wish to be notified for our records should there be any subsequent surface water flooding that we may be required to investigate as a result of the new development.

Yours sincerely,

Julia Puton
