Subject: Welwyn Hatfield Council Online Planning - Comment

Application Number: S6/2012/0605/FP

Name: [Redacted]

Address: 1The Runway,
Hatfield,Herts.AL10 9GL

Comment Type: Object

Comment: Object due to the lack of space for public thoroughfare, increased crowding and congestion. If the garage is converted to living area the applicant will be using the common access area for parking 2 cars & storing the waste bin. We already have a lot of problems with students & renters parking in this cul de sac. When this site was originally built the developers have built houses with maximum use of space & narrow roads.

we already have problem with the school traffic.
