## HISTORIC BUILDINGS AND CONSERVATION ADVICE

Dear Sir / Madam,

**RE: 1-5 Park Street, Hatfield, AL9 5AT**

The application is for the approval of details pursuant to condition 2 (structural interventions) on listed building consent 6/2018/2498/LB.

The details provided, including a written 'Method of Construction' and accompanying annotated photograph, are sufficient to discharge condition 2. The works to prop the previously poorly repaired staircase are considered to be appropriate.

Yours sincerely
