Proposal – Retention of two animal shelters and erection of a further two identical animal shelter
Location – Postern Gate Farm Newgate Street Village Hertford SG13 8QR

Thank you for your letter of 22 November 2023 providing Network Rail with an opportunity to comment on the abovementioned application.

In relation to the above application I can confirm that Network Rail has no objection to the change of use of land. However, we would strongly recommend that the developer satisfy themselves that they have sufficient stock proof fencing in place to prevent their livestock from getting onto the railway, which could result in accidents to rail users and the animals themselves.

Kind regards
