## Comment for planning application 6/2022/2714/HOUSE

Application Number	6/2022/2714/HOUSE	
Location	10 Park Street Hatfield AL9 5AX	
Proposal	Erection of outbuilding in rear garden	
Case Officer	Ms Elizabeth Mugova

Comments	The planning documents show the building as having space for five workstations. We are concerned that in future an owner might seek to change the use to that of an independent office, separate from occupation of the house. We request that, in the event of the application being approved, a planning condition would be included in the permission, restricting its use to be ancillary to the dwelling use. This would ensure that any future	

proposed independent use would have to be properly reviewed and neighbours consulted.
