Application Number: S6/2012/0631/FP

Name: [Redacted]

Address: 12 Hill Rise Cuffley Herts EN64EE Comment Type: Object

Comment: The existing single skin brick 'garage' was built on top of the concrete boundary retaining wall. We assume the extension will be stepped back (not shown on the plans) as the existing boundary retaining wall may possibly not support a new structure. Also confirm that the existing shed will be demolished otherwise the light to 12 Hill Rise will be severely reduced .
