## **Comment for planning application** 6/2021/3553/HOUSE

Application Number	6/2021/3553/HOUSE	
Location	2 Barlow Close Hatfield AL10 9GZ	
Proposal	Installation of a new sliding gate	
Case Officer	Ms Kirsty Shirley	
Organisation		
Type of Comment	Objection	
Туре	neighbour	
Comments	I totally object the application due to the massive implication to my property and its safety. My garden wood fence is forming a boundary with the driveway of 2 Barlow close. The landlord decided to build a garden project. This involved, removing his wood side of the driveway incorporating the driveway space into his garden and a blocked electric gate, higher than 2 meters to his driveway. He installed one of the metal posts into my own land and 10 cm of the PVC panel covering my fence against my approval. This led to a blocking to my garden fence. I reported the breech which occurred from the above occupier to the enforcement team with a formal correspondence and enclosed photos on 27/06/2021 and received a confirmation with REF: ENF/2021/0101 on 23/07/2021. Subsequently application 6/2021/2501/HOUSE- Retention of summer house and sliding gate was rejected. For which the occupier appealed APP/C1950/D/21/3289994 on 28/01/2022 and still awaiting response.
