Comments	The Welwyn Hatfield planning validation checklist section 4a requires the applicant to 'show clearly the proposed works in relation to what is already there, highlighting any structures to be demolished'. Having reviewed the applicants submitted information this requirement has not been met. We are aware of a building structure that existed prior to the works starting on site without the necessary planning consent. The structure can clearly be seen from satellite imagery available to the public on the internet. We would expect that the application information submitted to date should be withdrawn and updated to include the required
