<b>Comments</b>	<input type="text" value="We support the plans to improve the site for the Police. However, we would like to see any section 106 funds spent on the cycle route across the Police HQ entrance, as follows: 1) Cycle route maintenance: A proper restoration of the full width of Old Stanborough Lane past the Police HQ in such a way as to sustainably prevent the annual vegetation growth which makes this path difficult to use especially in August at peak growth season. This is a key walking and cycling route to the park. 2) Lighting: Old Stanborough Lane is lit from Gosling Stadium down to the Police HQ entrance but then unlit down to the Lakes caf. This is a route to school for children from Hatfield to Stanborough School and is a dark and hidden space after school on winter evenings. 1 and 2 need doing to encourage more staff from the Police HQ to travel to work actively. Please can we see work done to restore and enhance this neglected community asset?"/>
