Refuse requirements would be 1 x 1100 litre container for shared refuse bin emptied weekly at a cost of £390 + VAT

Should you wish to provide Recycling facility for the residents, i would recommend 1 x mini recycling centre which accomodates recycling of glass/cans and paper at a cost of £560 + VAT emptied fortnightly.

Please note if the recycling bins become contaminated they will not be emptied and the Management Co or developers will have to pay for the bins to be emptied or make arrangements to have the contamination removed. This also applies to any bulky waste or items left in the bin store which are not contained within the receptacles.
