| Comments | <input type="text" value="We have lived in the area of Great North Road/Kentish Lane for the last 20 years. We have seen several film activities taking place in in our vicinity and know Kentish Lane pretty well. We are in full support of these initiative as they show to a very wide audience our beautiful countryside, they bring revenue into the area, they do not create any noise pollution and most importantly they support, especially at the moment an industry which because of Covid-19 is on its knees. We fully support this application."/> |
