Comments/Questions:

I wish to object to the addition to application 6/2016/1068 for a restaurant and cafe. There are already several in Cuffley and are sufficient to meet the needs of the village. As this will be nearer to the station it is likely to take custom away from other outlets. If it attracts passing trade from the busy B156 it will increase the traffic problems as parking will be difficult (it already is). I would like think that planners go and inspect sites before they give permission.

I have been a resident for 30+ years and live at 9 Thrush Lane
