<b>Comments</b>	<input type="text" value="I feel that the above planning application is completely over sized and over powering. The last 4 houses on bramble road all sit on a curve and with this extension planned it will overlook and intrude on mine and 3 other houses gardens. I brought this property because of the garden and the privacy i feel this will be massively compromised. These plans will make the property too big for the road and not stay in keeping with the street."/>
