Dear Mr Hare

I have this afternoon received from [REDACTED] his response on behalf of the Bell Lane Action Group to the above TPO Application, together with a copy of the AAA Tree Report dated the 24th January 2023.

On behalf of A1 Dairies (Farms) Limited I completely support everything in [REDACTED] response, and am very surprised to note the extraordinary differences between the AAA Tree Report and that submitted by the applicant.

Whilst I understand that you can only deal with this on arboreal grounds, it is very relevant that the applicant may have ulterior motives bearing in mind the potential road that would be needed if site BrP12a is granted permission for development. That road would cause the failure of the farm's business as its best hay fields would be denied to it.

I am content for this response to be posted on your website.

Yours sincerely

[REDACTED]

A1 Dairies (Farms) Limited
