Dear Sir/Madam,

**Re: Proposed 'granny annexe' at The Lodge, 2 Northaw Place, Coopers Lane, Potters Bar, Hertfordshire, EN6 4NQ**

I am writing to offer my full support for the planning application for the above project at our property.

My elderly parents currently live in [REDACTED] and enjoy their house and lifestyle there. However, as they age, they have been faced with several [REDACTED] which have made living alone incredibly difficult. We are located a 30 min drive away by car, however with traffic this journey can take 40 minutes to an hour. This often means we aren't around as often as we would like to be and therefore, cannot assist them as effectively with their daily tasks.

[REDACTED]

[REDACTED]

[REDACTED]

We have all agreed that, if planning permission is granted, a good solution would be for my parents to live at my property, but with their own personal space. We are proposing a granny annexe which will allow them to live with us and rely on us for support and vital care yet still be independent.

During times that they have 'needed a hand' or were unwell, we would be able to look after them closely and effectively until they are 'back on their feet'.

With the open layout plan, wide doorways, 'pull down' kitchen cupboards, wet room, etc., and living adjoined to me, they could become gradually and more easily dependent on me as they age with dignity.

In this way, my elderly parents can be cared for in their later life and able to spend their final years with their family and grandchildren who love them very much and will provide emotional support as well as physical care for their needs. It is evident that a granny annexe on our property would significantly enhance their quality of life, facilitate their medical care, and promote their wellbeing.

Thank you for your time and consideration. Should you require any further information or documentation to support this application, please do not hesitate to contact me.

I hope that you will consider this application kindly.

Sincerely,

Lucy Louca
