Dear Sirs

I understand that this Planning Application is due to be heard for the 3<sup>rd</sup> time at the DMC meeting on 27<sup>th</sup> July. In January 2021 I registered my objections to this Application (copy attached). As you know, this Application has come a long way since then and I will be writing to my local Councillors explaining my disgust at the treatment of this Application by the Council. Our representatives are not listening to their voters. That of course is a separate matter to your role which, even though we do not see eye to eye on this, is of course at the moment is to ensure that my objections are passed onto the 27<sup>th</sup> July Committee. Please ensure that this happens.

Thank you
