Sarah said:

"Dear Sir,

I am the case officer who has been allocated your application 6/2021/1550/VAR to look at. I regret to inform you that the application as submitted cannot progress. A Section 73 application (VAR) that you have submitted cannot be used to change the description of the development. Please see below:

Are there any restrictions on what section 73 can be used for?

Planning permission cannot be granted under section 73 to extend the time limit within which a development must be started or an application for approval of reserved matters must be made. Section 73 cannot be used to change the description of the development.

Flexible options for planning permissions - GOV.UK (www.gov.uk)

Your description is changing because instead of doing a two storey rear extension and ground and front extension, you are now proposing a single storey wrap around extension. Should you want to make a formal application for us to consider, you will need to make a Householder application here: [Householder planning consent | Consent types | Planning Portal](#)

However, having looked at the nature of what it is you want to do, I would suggest that you submit a non-material amendment application to us. There is a fee for this (£34) but having looked at your proposal this might be the quickest way to proceed. Please see advice on how to apply here: [Non-material amendment of an existing planning permission | Consent types | Planning Portal](#)

I hope that is of help."

9. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

Yes No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

10. Declaration

I/we hereby apply for planning permission/consent as described in this form and the accompanying plans/drawings and additional information. I/we confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them.
