Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed rear dormer has been designed in accordance with permitted Development guidance. The application has been resubmitted following Refusal of the previously submitted Application (Ref: 6/2022/2215/LAWP). The sole reason given for the refusal was that the previously proposed replacement porch was deemed non-compliant with Permitted Development Requirements. Subsequently, this element has now been removed from the proposal.

A number of neighbouring properties have had applications for rear dormers granted via Lawful Development Certificates (Proposed Use).

The dormer has been designed to comply with the necessary criteria. Please refer to the attached covering letter for more information.
