Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including any change of use

Demolition of an existing out-of-date. conservatory which was constructed in 2002.
To be replaced with a single-story extension.

Has the work or change of use already started?

Yes

No

Existing Use

Please describe the current use of the site

The existing conservatory was constructed in 2002, unfortunately, the out-of-date construction leaves the space uninhabitable for the majority of the year.

This is due to the building being too damp and cold in the winter, and too hot in the summer due to the greenhouse effect of overheating and poor ventilation.

Is the site currently vacant?

- Yes
 No

If Yes, please describe the last use of the site

Mainly utilized as a thoroughfare to garden access/ or as a drying room for clothes.

When did this use end (if known)?

dd/mm/yyyy

Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.

Land which is known to be contaminated

- Yes
 No

Land where contamination is suspected for all or part of the site

- Yes
 No

A proposed use that would be particularly vulnerable to the presence of contamination

- Yes
 No
