### 23. Pre-application Advice

efficiently):

Officer name:

Title

First name

Surname

Reference

Date (Must be pre-application submission)

Details of the pre-application advice received

You have submitted a householder application for planning permission for works to a dwelling. This is not the correct application form as the proposal requires full planning permission for change of use of land. A valid application will require you to submit a 'full' application form and pay the additional fee. The fee for full applications is £462 - as £206 has been paid, please forward £256 in settlement of the planning fee.

In terms of ownership, if the applicant is not the owner of all of the land which is the subject of the application, then you must notify all parties with an interest in the land of your intention to submit a planning application. You must also complete certificate B within the application form to confirm this. The owner of the land in this case is likely to be Hertfordshire County Council as the Highway Authority but you will need to establish this for yourself by contacting the Land Registry as WHBC do not hold details of land ownership.

### 24. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

Yes  No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
