GRILL

OUR STORY

At Beefeater Grill we promise the nation's favourite chargrilling experience. An unbeatable combination of fantastic tasting food and the exciting way in which we prepare it. The majority of our dishes are cooked on an open flame chargrill by expert chefs, which provides the uniquely distinctive taste that we're famous for. The best ingredients always taste better cooked on an open flame because the intense heat caramelises the natural sugars and really brings out the flavours. This very special way of cooking also means that your meal can be prepared and personalised just the way you like it, from mouth-watering steaks and chicken, to succulent fish. And to make sure our choice caters for everyone, we serve a variety of healthy salads and vegetarian options too. Come and see for yourself why Beefeater Grill puts the sizzle into any dining out occasion

FROM OUR CHARGRILL

At Beefeater Grill, we use only the finest cuts of steak from traditionally reared cattle, fed predominantly on grass to ensure exceptional flavour and tenderness. Our steaks are matured for a minimum of 28 days before being seasoned and then seared on the chargrill for that unmistakable, extra special Beefeater Grill taste.

We pride ourselves on being the experts in steak. To prove our total commitment to serving great tasting, quality steaks, day in and day out, we have introduced a unique Steakmaster training programme. This means that in every restaurant you will find a Steakmaster, who will advise you on the best cut of steak for your individual taste and the best cooking method for your chosen cut. This guarantees you a succulently successful dining experience at Beefeater Grill, every time.

RIB EYE:

This is one of our most popular steak cuts for the beef connoisseur. To fully enjoy the strong flavour with a juicy soft texture we recommend our rib eye steaks are chargrilled medium to well done.

SIRLOIN:

The steaks are tender with a meaty texture. Sirloin is generally a good all rounder in terms of flavour and tenderness. We recommend our sirloin steaks are chargrilled rare, medium or well done.

FILLET:

Extremely tender with a mild flavour, the fillet has the softest texture of all the steaks and is fantastic chargrilled rare to medium to give the most succulent steak.

RUMP:

With their firm texture and strong beefy flavour, we recommend our rump steaks are chargrilled rare to medium to ensure the best flavour.
